

## Taroon Football Club Technical Director

### JOB TITLE:

**Club Technical Director**

### ROLE DESCRIPTOR:

The Club Technical Director leads and manages the development of youth players and youth coaches within the Club structure. The Technical Director will create a sustainable football program that provides clear guidance for coaches, in order to help facilitate a quality football experience to support developing players. The Technical Director should therefore have experience in youth coaching, youth development and coach mentoring.

### MANDATORY TASKS AND DUTIES:

- Document a Youth Development Plan, which includes yearly training plans (preseason, in-season, off-season, end-of-season) for each age group
- Lead and manage youth programs that reflect the vision and philosophy of the Australian National Football Curriculum
- Guide and mentor youth coaches
- Attend, observe and provide feedback to youth training sessions
- Attend fixtures to analyse and provide technical feedback to the youth coaches
- Organise regular coach development workshops for the youth coaches
- Monitor the development of all youth players and liaise with their coaches in all technical aspects
- Conduct individual assessment reports of players (provided to parents)
- Conduct performance review with each Youth coach
- Organise recruitment of players based on FFA Talent ID competency model
- Recommend the most talented players from the Club to the Member Federation Technical Director for supplementary training at a Talent Support Program (TSP)
- Attend workshops organised by the Member Federation Technical Director and Football Federation Australia
- Report as requested by the Member Federation Technical Director

### ESSENTIAL SKILLS AND QUALIFICATIONS:

- AFC/FFA C-Licence Qualification (or equivalent)
- Completed 'FFA Talent ID' course (or registered into next available course)
- Experience in the establishment and ongoing management of youth player development programs and mentoring of youth coaches
- Effective communication skills with coaches, youth players and parents/caregivers
- Ability to provide leadership and direction
- Passionate and dedicated to promoting the club to the wider community

- Current Working with Vulnerable people (WWC) registration

#### **RELATIONSHIPS:**

- The Technical Director reports to the Club Committee and Member Federation Technical Director.
- Will have close relationship with team coaches, team managers and parents/guardians
- Collaborative relationship with Senior coaches

#### **UNIQUE WORK CRITERIA:**

- After business hours
- Weekends
