

## 2016 Sponsorship Opportunities

Dear Sponsor,

Taroona FC welcomes your business to share in the excitement of football in Tasmania. We are a community based club and have rapidly expanded our mens, womens and youth programs in recent years, now supporting over 200 players.

We are a fully not for profit organisation, run by a passionate, hard working volunteer committee. All funds raised are carefully reinvested back into the club for the benefit of all members.

Your support allows our club to purchase training gear, playing kits, run youth clinics, qualify coaches and expand our facilities.

A partnership with Taroona FC offers your business a unique opportunity to connect with a vibrant sporting community.

We need, want and welcome your support. We look forward to having you on our team for the 2016 season.

Jordan Wright,  
President
